

THE CATHOLIC UNIVERSITY OF AMERICA

Washington, D.C.

Materials Science and Engineering Program

CUA now offers science and engineering majors a full- or part-time Master of Science degree in materials science and engineering, incorporating a broad range of science and engineering courses.

Five Areas of Specialization

The CUA MSE Program curriculum emphasizes advances in existing and emerging technologies in the following five key specialization areas:

- Nanotechnology
- Biomaterials
- Magnetic and optical materials
- Glasses, ceramics and metallurgy
- Processing and instrumentation
