Scholarships are available in Materials Science and Engineering at The Catholic University of America. The scholarships include a stipend and the full tuition.

Qualification Requirements:
• A bachelor's degree in Chemistry or Chemical Engineering
• Commitment to pursue a Master of Science degree in Materials Science and Engineering
• Ability to teach introductory Chemistry labs to engineering, chemistry or physics majors
• Good analytical skills in experiment observation and data interpretation are a plus

To apply for this scholarship, please email your resume including GPA and taken undergraduate courses to Profs. Jandro Abot (abot@cua.edu) and Biprodas Dutta (duttab@cua.edu)
